

WFOR-TV QUARTERLY ISSUES/PROGRAMS LIST
JULY 1, 2008 THROUGH SEPTEMBER 30, 2008

Attached are listings of broadcasts or broadcast segments that, in the Station's judgment, reflect the Station's most significant programming treatment of ascertained issues during the preceding three-month period. During the preceding quarter, the Station also broadcast CBS Network programs such as 60 MINUTES SUNDAY, FACE THE NATION, and 48 HOURS. Additionally, the Station broadcast a quarterly episode of the syndicated show "YOUR GREEN LIFE" (previously known as THE ECOZONE PROJECT) focusing on environmental issues. In addition, the Station produced and broadcast a "Community Calendar" and public service announcements promoting local community events and campaigns. Also, the Station produced and broadcast a series of NEIGHBORS 4 NEIGHBORS segments encouraging viewers who need help and those who want to help to call a telephone hot line staffed twelve hours daily. Each 30-second segment is placed in a random rotation ranging from one week to several months, depending on the topic, need and response. All of these programs are part of Station's plan to address issues of concern to our viewers.

4 SUNDAY MORNING – A half-hour weekly public affairs broadcast featuring panel discussions and interviews with community leaders, focusing on important issues of local concern. Broadcast dates and times as indicated in the report.

NEWS & VIEWS WITH ELIOTT RODRIGUEZ – A new half-hour weekly public affairs broadcast premiering on September 27, 2008 (replacing 4 SUNDAY MORNING) that provides a review of the week's top local news developments and features interviews with local newsmakers. Broadcast dates and times as indicated in the report.

CBS4 NEWS FEATURE REPORTS – Specials and series reports focusing on important local issues. These reports air during selected CBS4 News broadcasts. Duration: Each part is approximately three minutes. Broadcast dates and times as indicated in the report.

CONNECTING WITH KIDS SPECIALS – A series of special half-hour broadcasts focusing on issues of critical concern to children and their families. Broadcast dates and times as indicated in the report.

PUBLIC SAFETY/CRIME: Topics in this category included: airport traffic control safety; airline passenger identification; fire hazard violations at housing facility; local schools food safety; helicopter hazard; and control tower safety.

CBS4 NEWS FEATURE REPORT: CLOSE CALLS: 7/28, 11 PM. This was a follow up to a previous investigative report that revealed that there have been an alarming number of incidents at South Florida airports where airplanes have come very close to colliding on the air and on the ground. This report included interviews with two anonymous air traffic controllers who witnessed many of these incidents. **CBS4 NEWS FEATURE REPORT: AIR PASSENGER BRACELET:** 7/30, 11 PM. This report focused on a bracelet for airline passenger under consideration that would contain passenger information replacing a boarding pass but might also enable security personnel to emit electric charges, much like a "taser", to unruly or threatening passengers. **CBS4 NEWS FEATURE REPORT: FIRE HAZARD:** 9/22, 11 PM. This investigative report focused on major fire safety violations at a senior housing facility in Miami that was discovered by the CBS4 News team while there covering a cell phone distribution event. As a result of this report, the local fire department made a full inspection of the building and the facility was fixed to meet fire safety code. **NEWS FEATURE REPORT: CRUDDY CAFE TERIAS FOLLOW UP:** 9/24, 5 PM. This report provided an update on a previous investigation of local public schools cited in health inspections that were not posting the notice as required by federal law. In this update, the CBS4 News investigative team returned to the schools cited to ascertain whether or not they were in compliance posting the inspection certificate. **NEWS FEATURE REPORT: HELICOPTER HAZARD:** 9/28, 11 PM. This investigative report focused on potentially defective Robinson Helicopters blades. In spite of the fact that the NTSB has recognized that the blades present a safety hazard, nothing has been done to have them replaced by the companies that operates them. **NEWS FEATURE REPORT: COMBINING CONTROL TOWERS:** 9/29, 11 PM. This investigative report examined a Federal Aviation Administration plan to combine operations at local air traffic control towers and pointed out concerns raised by local safety experts on the public safety risks of such a plan.

ECONOMY: Topics in this category included: South Florida economy; good careers in a bad economy; financial advice; Florida lottery; marriages and the economy; and purchasing foreclosed property.

CBS4 NEWS FEATURE REPORT: SOUTH FLORIDA TURNAROUND: 7/22, 5 PM. This report examined what will need to be done to turnaround the South Florida economy. **CBS4 NEWS FEATURE REPORT: RECESSION RESISTANT CAREERS:** 7/25, 11 PM. This reports examined which careers are better suited to withstand economic downturns. **CBS4 NEWS FEATURE REPORT: FINANCIAL ADVISORS PHONEBANK:** 7/28, 5-6:30 PM. This special report looked at how families can weather the current financial crisis while a group of professional financial advisors answered viewer questions at a live phone bank. **CBS4 NEWS FEATURE REPORT: LOTTO MONEY:** 7/29, 11 PM. This special report questioned why funds from the Florida Lottery money are not being used to help the State's public schools system facing budget cuts and teacher lay-offs. **CBS4 NEWS FEATURE REPORT: RECESSION-PROOF YOUR MARRIAGE:** 8/8, 11 PM. This special report examined how economic problems are likely to have a negative impact on marriages and provided tips for avoiding conflicts over family finances. **CBS4 NEWS FEATURE REPORT: BUYING A FORECLOSED HOME:** 9/17, 5 PM. This special report provided information on how to purchase a foreclosed property in Florida. **CBS4 NEWS FEATURE REPORT: FINANCIAL ADVISORS PHONEBANK:** 9/22, 5-6:30 PM. This special report provided an analysis of strategies for surviving the current financial crisis while a group of professional financial advisors answered viewer's questions at a live phone bank.

HEALTH: Topics in this category included: unreported medical mistakes; controversy over childhood vaccines; spinal angina; health risks of tiredness; over the counter drugs; girl with cystic fibrosis in need; benefits of laser light therapy; developments and challenges in the treatment and cure of various forms of cancer; dangers of imported foods; and robot-assisted surgery.

CBS4 NEWS FEATURE REPORT: MEDICAL MISTAKES: 7/21, 6 PM. This was a follow-up to a previous investigative report on unreported medical mistakes that are being erroneously charged to patients. This update focused on a program at University of Miami Medical School that teaches medical students to report such mistakes and ensure that patients are not improperly billed.

CBS4 NEWS FEATURE REPORT: CHILDHOOD VACCINES: 7/30, 6 PM. This report focused on the controversy over childhood vaccines and the outcry for increased public scrutiny which is gaining support among Hollywood celebrities.

CBS4 NEWS FEATURE REPORT: SPINAL ANGINA: 7/31, 5 PM. This report focused on spinal angina, a blockage of the spine that like angina of the heart causes pain. The report explained that this is more common than most people know and provided information on how to treat it.

CBS4 NEWS FEATURE REPORT: TIRED ALL OF THE TIME: 8/11, 5 PM. This report examined the increasing number of complaints of tiredness among Americans and provided information on potential medical conditions that might cause tiredness.
